

MOTION

Rensselaer Union 54th Student Senate
Date: April 2, 2024 | Motion #1

WHEREAS The previous total solar eclipse passing through New York happened in 1925, and the next is expected in 2079;

The Rensselaer Union 54th Student Senate hereby RESOLVES:

1. To urge professors to cancel or move classes to be asynchronous on April 8th, 2024 between 2-4pm EST to allow students to view the solar eclipse.
2. To encourage professors to implement flexible attendance policies on April 8th, 2024 for students that choose to travel to view the total solar eclipse.
